

Client Data Completeness Checklist

INTERNAL USE — ADVISOR REVIEW

Family / Client:

Advisor:

Date Reviewed:

Use this checklist when onboarding a new family or performing a periodic data audit. Check off each item once it is entered and verified in the platform.

1. Family Profile & Contacts

- ☐ All family members added as contacts — *spouses, children, dependents*
- ☐ Date of birth entered for each contact — *powers recurring birthday deadlines*
- ☐ Anniversary date entered — *powers recurring anniversary deadlines*
- ☐ Relationships mapped correctly — *e.g., spouse, child, trustee*
- ☐ Primary contact info verified — *phone, email, mailing address*
- ☐ Client portal login created and tested
- ☐ Client role/permissions set correctly (client vs. advisor view)

2. Portfolio & Accounts

- ☐ All investment/brokerage accounts logged
- ☐ All retirement accounts logged — *IRA, 401(k), etc.*
- ☐ All bank accounts logged
- ☐ Account balances current — *within last statement cycle*
- ☐ Beneficiary designations recorded

3. Properties & Other Assets

- ☐ All properties listed with full address
- ☐ Deed / title documents uploaded
- ☐ Mortgage or loan details entered — *balance, rate, maturity date*
- ☐ Homeowner's insurance policy on file — *with expiration date*
- ☐ Flood insurance on file, if applicable — *with expiration date*
- ☐ Most recent appraisal or valuation on file
- ☐ Other titled assets logged — *cars, boats, planes, or other high-value property*
- ☐ Registration, title, or insurance docs on file for other assets

4. Documents

- ☐ Estate planning documents uploaded — *will, trust agreements*
- ☐ Most recent tax returns uploaded
- ☐ All insurance policies uploaded
- ☐ Documents scanned for AI search (✦ Scan)
- ☐ Documents correctly categorized and labeled

5. Tasks & Deadlines

- ☐ Open action items entered as tasks with due dates
- ☐ Loan maturities appearing on Upcoming Deadlines feed
- ☐ Insurance renewals appearing on Upcoming Deadlines feed
- ☐ Deal/transaction close dates entered, if applicable
- ☐ Birthdays & anniversaries confirmed visible on dashboard

6. Notes

- ☐ Key meeting notes logged
- ☐ Notes attributed to correct advisor and family

7. Financial Planning

- ☐ Planning goals and assumptions entered
- ☐ Risk tolerance documented
- ☐ Plan reviewed with client and dated

8. Prospecting Pipeline (New Clients Only)

- ☐ Deal marked Closed / Won in pipeline
- ☐ Referral source documented
- ☐ Prospect record fully transitioned to active client

9. Platform Access & AI Assistant

- ☐ Client portal login active and verified by client
- ☐ AI assistant named and welcome flow completed
- ☐ Mobile access confirmed, if used by family

Notes / Outstanding Gaps
